Second class

Letter

Donald and Hilary sent us a letter telling about when they were teenagers:

Dear students of 2C,

I'd like to thank you for your warm welcome. Your school is really big and well equipped. Your teachers are kind and nice.

I want to tell you about when I was a teenager like you.

I had braces and I wore glasses ... I wasn't very popular, but I wanted to be a very important person in the future. My favorite subject was History. What is your favorite subject?

I liked playing beach volley and riding a bike, and during the week I usually played football with my two brothers, but I wasn't good at it. I liked dog and I loved playing with it.. What do you like doing in your free time?

I liked the song "gangam style" and I always danced it having a shower. I lived in Florida and I loved the sea. My family was very rich because ...my father once won the lottery!

When I visited your school you asked me about my pearl necklace: it was my mother's. This is the story of my life.

Please write me soon, I'm looking forward to hearing from you soon

Bye, bye

Hillary

Third class

Newspaper report

Today Donald Trump and Hillary Clinton are visiting our school, IC Guicciardini in Montalve school. They are both famous because they have fought one against the other to become the USA president. On 8th November 2016 Donald won the elections.

Today Trump is wearing a very elegant smoking. During his visit at Guicciardini school Trump told us that he is going to build a wall in Italy too because he doesn't like immigrants. We told him that ... it's not a good idea!

Trump said our school is pretty big but it would need a little decoration, he has always lived in luxury villas!!!

One thing that really surprised him was our school garden. He said he could make his engineers build a big swimming pool in there. Then, last but not least, Trump told us we were lucky for having such professional teachers.

Hillary Clinton after the election took a little vacation all around the world and could not miss a visit in our amazing school.

Today she is wearing a blue dress and a pearl necklace. She is very excited about staying in Florence but Hillary Clinton is very sad, too. She really wanted to be president! We have cheered her up dancing "Gangnam style" with her. (IIIB)
